BIO

AI video creator and graphic designer. Co-founder of Unholy Studio, where I direct and produce AI-generated films, ads and reels for brands and organizations, from the client brief to the final edit. Years of web, brand and marketing design before that. I work fast and follow what is moving on social.

AI & CREATIVE

IDF Spokesperson Unit – AI films and AI training

AI-generated appreciation film for reservists, social ads, and a two-session workshop teaching soldiers our AI video production method.

Real estate and investor films

Leasing video for an office tower (Investeam), quiet-investor film for a waterfront estate in Greece, campaign videos and title graphics for real estate agencies (Monomental Studio).

Commercial social ads and product videos

Mockumentary Meta ad for a software house (Palmidos), Recovery product video for Holmes Place, kids sneaker line for Master Sport, pitch film for a tech startup (AvaSphere).

Unholy originals – @unholyyystudio @holygilad

Viral AI series ("first day on earth" alien in the city), mock-doc self-promos, the narrated history series "Behind the Sign", plus earlier AI viral videos on @holygilad.

FreeCap – open source

Free word-level caption tool with a Premiere Pro panel, built on local Whisper transcription.

EMPLOYMENT HISTORY

Co-founder, Director & Head of Production – Unholy Studio

2025 – Present

- AI video studio producing films, commercials and reels for brands, without cameras or a crew.
- Run the pipeline end to end: brief, script, shooting list, prompt kits, generation, edit, motion graphics.
- Lock characters and locations with reference sheets, then generate shots in Seedance and Kling through Higgsfield.
- Built Claude Code agent workflows that draft briefs and prompt kits and run batch generation.

Marketing Designer & Site Manager – Wine & More

01.2024 – Present

Design of marketing campaigns, catalogs, product labels and packaging. Web and social media assets.

Graphic Designer – Freelance

2022 – Present

Websites, brand identities and marketing materials for digital and print.

EDUCATION

Graphic Design & UX/UI, 6B Studio

2021 – 2022
